CAMDEN
SHIPPING CORPORATION

RELIABLE • COMPREHENSIVE • COMMITTED

Camden Shipping Corporation (CSC) is a licensed NVOCC and can provide your company with a comprehensive range of import and export international ocean and air freight services.

We will evaluate your requirements and ensure that you receive the most efficient and effective ocean and air freight solutions.

CSC offers expertise and reliability in ocean and air transport and is a diversified total logistics provider with mainstream activities in coordinated logistics, freight forwarding, customs clearance, interstate and local bonded/non-bonded trucking services. CSC's logistics team specializes in international ocean/air freighting and project cargo management. It is the policy of Camden Shipping to provide our valued clients with outstanding service. We continually add value to our services so that our mission to achieve a mutually beneficial partnership with our customers is reached. CSC is changing the face of maritime and welcomes the opportunity to provide your company with exceptional service.
